

Coding Challenge 3- Arithmetic Operators

Solution-

```
//arithmetic operators
var x = 40,y = 58;

var sum = x + y;
var difference = y - x;
var multiplication = x * y;
var expo = x ** y;

console.log("Sum is:", sum);
console.log("Difference is:", difference);
console.log("Multiplication is:", multiplication);
console.log("x to the power y is:", expo);
```
